

NOTICE TO STAKEHOLDERS & SHIPPERS

RODRIGUES SERVICE

The Mauritius Shipping Corporation Limited (MSCL) wishes to inform its clients that it is bringing a new change in its cargo operations model which aims at fostering efficiency, enhancing productivity, and increasing the optimization of our maritime services.

Consequently, the lead time for cargo receipt and its loading onboard the seagoing vessels, MV Black Rhino and / or MS Mauritius Trochetia, has been reviewed. The port stay of our vessels for cargo operations will now be three (3) calendar days in Port-Louis and three (3) calendar days in Port-Mathurin.

All stakeholders and shippers of cargo are requested to adjust themselves to the new sailing patterns with **departure of vessel(s) now targeted at NOON.**

Henceforth, all **shippers of perishable goods** (vegetables and refrigerated / chilled / frozen) and **containers of dangerous goods** will be requested to **deliver their consignment not later than 15 00 hrs. on the eve of the departure of the vessel.**
